MEMORANDUM

TO: Federal Agency Bicentennial Representatives
Federal Executive Boards

FROM: Jay Price, Associate Director, *Jay Price*
Federal Programs

DATE: May 3, 1988

SUBJECT: Status of Bicentennial Activities

Bicentennial programs and events during 1988 are focusing on the ratification of the Constitution. Several states, with the cooperation of Merrill-Lynch Incorporated, already have had ratification celebrations -- and there are many more to come. On June 21, New Hampshire will have a major event, commemorating its role as the ninth state to ratify, thus giving life to the Constitution.

Our Congressional/State/Local Office has planned a series of regional meetings throughout the country to plan additional events and exchange ideas with state and local Bicentennial leaders (a tentative schedule is attached). Where appropriate, Federal Executive Board representatives will be invited to attend these one day meetings.

Major emphasis is being placed on scheduling Bicentennial activities during Constitution Week (September 17-23). In the near future, we will be sending you detailed information including program ideas and schedules of special events. We hope that your agencies will help draw attention to the Constitution by equalling your 1987 participation. Constitution Week can also serve as a kick-off for 1989 when we will commemorate the formation of the Executive Branch of the government and the first convening of Congress.
